**COPY MAILED**

**DEC 27 2004**

**OFFICE OF PETITIONS**

In re Application of :  
Mostafa Abidi, Christian G. Hillard:  
and Remi B. Loevenbruck : DECISION REFUSING STATUS  
Application No. 10/826,872 : UNDER 37 CFR 1.47(a)  
Filed: April 16, 2004 :  
For: EVAPORATED FUEL PROCESSING  
DEVICE

This is in response to the "Request For Reconsideration of  
Petition Under 37 CFR 1.47(a)," filed December 16, 2004,  
(certificate of mailing: December 14, 2004).

The petition is dismissed.

Rule 47 applicant is given TWO MONTHS from the mailing date of  
this decision to reply, correcting the below-noted deficiencies.  
Any reply should be entitled "Request for Reconsideration of  
Petition Under 37 CFR 1.47(a)," and should only address the  
deficiencies noted below, except that the reply may include an  
oath or declaration executed by the non-signing inventor.  
**FAILURE TO RESPOND WILL RESULT IN ABANDONMENT OF THE APPLICATION.**  
Any extensions of time will be governed by 37 CFR 1.136(a).

The above-identified application was filed on April 16, 2004  
without an executed oath or declaration and naming Mostafa Abidi,  
Christian G. Hillard and Remi B. Loevenbruck as joint inventors.

Accordingly, on June 28, 2004, a "Notice to File Missing Parts of  
Application" was mailed, requiring an executed oath or  
declaration and a filing fee, and a surcharge for their late  
filing. On August 30, 2004, (certificate of mailing: August 27,  
2004), a petition under 37 CFR 1.47(a) was filed, however, the  
petition was dismissed on October 14, 2004. In response, on  
December 16, 2004, (certificate of mailing: December 14, 2004)

the instant "Request For Reconsideration of Petition Under 37 CFR 1.47(a)," was filed.

A grantable petition under 37 CFR 1.47(a) requires:

- (1) proof that the non-signing inventor cannot be reached or refuses to sign the oath or declaration after having been presented with the application papers (specification, claims and drawings);
- (2) an acceptable oath or declaration in compliance with 35 U.S.C. §§ 115 and 116;
- (3) the petition fee; and
- (4) a statement of the last known address of the non-signing inventor.

Applicant lacks item (1), as forth above.

Applicant stated in the August 30, 2004 petition: "Mr. Abidi was contacted by phone by assignee's employee and indicated an unwillingness to cooperate in signing the Declaration." Furthermore, applicant now states in the Ramon Martin declaration, "I was informed by Mr. Loevenbruck that Mr. Loevenbruck had contacted Mr. Abidi to obtain his execution of the Declaration, and that Mr. Abidi had refused to sign the Declaration, for reasons relating to the termination of his employment."

Where a refusal of the inventor to sign the application papers is alleged, the circumstances of the presentation of the application papers *and of the refusal* must be specified in a statement of facts by the person who presented the inventor with the application papers and/or *to whom the refusal was made*. Statements by a party not present when an oral refusal is made will not be accepted. See MPEP 409.03(d). Applicant should submit a statement by assignee's employee that spoke with the non-signing inventor and/or Mr. Loevenbruck that provides details of the conversation with the non-signing inventor in which the refusal to sign the Declaration was made.

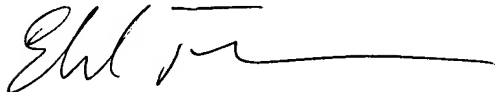

Further correspondence with respect to this matter should be addressed as follows:

By mail:           Mail Stop Petition  
                  Commissioner for Patents  
                  Box 1450  
                  Alexandria, VA 22313

By FAX:           (703) 872-9306  
                  Attn: Office of Petitions

By hand:           Customer Service Window  
                  2011 South Clark Place  
                  Crystal Plaza Two (left side entrance of building)  
                  Arlington, VA
